BRIEF ABSTRACT OF LETTER
Submits for publication in the Gazette under Sec 39 Cl (2) of the City of Mysore Sanit Regn a set of rules framed by the Town Bd and approved by the City Munic Council providing against interference with underground drainage works in the City

NOTES AND ORDERS

M 3(2)-07 R

A set of rules has already been issued by Govt under Sec 176 Cl (1) (d) of the Mysore Munic Regn providing against interference with water pipes and sewers in the limits of Bangalore Mysore These rules do not very probably cover the

the classes of cases arising in respect of underground drainage pipe system Constructed by the Board of Trustees and remaining under their Control without being transferred to the Municipality If so, there is no provision enabling the Govt to frame such a bye-laws. The draft of Rules with Sale perhaps to be issued by Govt under Sec 38 Cl (a), of the City of Jagpore Sanitation Regn in which Case previous publication in the Gazette is not necessary Another point for Consideration is whether the penal clause in the proposed rule is in Conformity with the Sec 60 of the City Sanitation Regn or whether it requires modification so far as it relates to Continuing offences

Ll-O 24/1/15 - In my opinion the proposed rules should be issued by Govt under Sec 38 of the City of Mysore Improvement Reg^n 1903.

The Reg^n is silent as regards the powers of the Trust Board in respect of works Completed by them and Cl (f) of Sec 39 (1) Can Scarcely be regarded as giving them power to make rules such as those now proposed -

The scope of the penal clause may perhaps be made clearer by adding words to the effect that the maximum fine shall in no case exceed Rs 100/- The draft rule provides a double penalty for a repeated offence and not for a Continuing offence

5. Draft submitted It is not necessary under the Regn that the Rules framed by Govt should be published in the Gazette As that procedure was nevertheless adopted in several Cases on previous occasions the draft has been prepared in the form of a Notn

6 Attention is invited to Rule 2 of the draft rules, under which it is unlawful to meddle with underground pipes &c whether they belong to or are under the Control of either the Municipality or the South Board this Covers Classes of Cases in which works Completed by the South Bd are transferred to the Control of the Municipality under Sec 21 Cl (a) of the City of Mysore Supply Regn. The Govt Advocate also has not found any legal defect in this rule

– Final Note –

With a view to provide against interference by the public with the underground drainage works in the Mysore City, the Board of Trustees, have in consultation with the Mysore City Municipal Council, ~~have~~ submitted a set of draft rules under Sec 176 (1) (d) of the Mysore Municipal Regulation. Similar rules are in force in Bangalore City and they are necessary for Mysore also But as the works in questio were constructed in Mysore by the Board of Trustees, the rules have to be issued by Government under Section 38 of the City of Mysore Improvement Regulation ~~Government~~ modifications, have been suggested by the First Member in rules 2 and 4, and they appear to be necessary

The draft notification placed in the file may be approved.
